MEETING YOUR ELECTRICAL NEEDS FOR GENERATIONS

Datasheet

Sunbeam Hand Dryer's

The Sunbeam Range of Hand Dryer's are a great solution and finish for your bathroom. These hand dryers are all high speed automatic models supplied in satin chrome. The new energy efficient high speed motor allows for a quicker drying time to help reduce energy usage. The sleek design of both models means which ever unit you choose will look well while also being functional

MEETING YOUR ELECTRICAL NEEDS FOR GENERATIONS

Sunbeam 1000W High Powered Hand Dryer
Satin Chrome

Description:

Reference	HDR77SC
Finish	Matt Stainless Steel
Warranty	2 Year
Activation	Automatic Sensor

Electrical Specification:

Voltage	220/240V
Frequency	50/60Hz
Motor Type	Brush Motor
RPM of Motor	32,000 RPM
Power Output	1000W
Motor Power	600W
Air Temperature	40°C
Amps	5.5A
Sensor	5 – 15cm
Drying Time	10 – 12 Seconds
Airspeed	100m/s
Airflow	130M^3/H
Filter	Included Inside
Noise Level	74dB at 1 Meter

Safety Aspects:

IP Rating	IP23
Electric Isolation	Class 1
Approval	CE Standard
Time Protection	60 Seconds
Heating Temperature	< 105°
Motor Temperature	< 48°
Air Temperature	40°

Dimensions:

Width	174mm
Depth	102mm
Height	256mm
Weight	2.5KG

Energy Efficient

High Performance

Quiet

Cost Saving

174MM [6-27/32"]   102MM [4"]

256MM [10-5/64"]
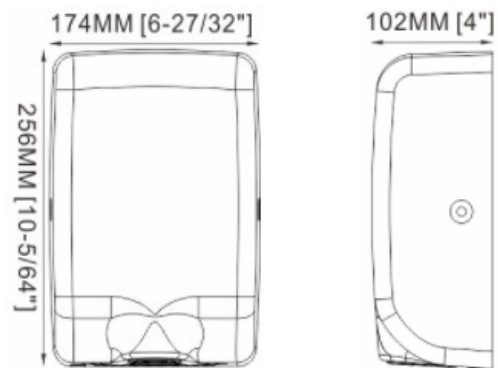

Automatic hands ON/OFF by infrared sensor

32,000RPM Brush motor 100 Meter/seconds airflow 10- 12 Seconds drying time

Coarse particulate filter at air inlet

Forced Hold-On 60 seconds auto shut-off

Optional Bacterial free UVC LED lamp

Externally visible service blue LED guides hands to air flow

Easy maintenance Easy wall surface mounted Anti-theft lockable

Cover right grounding

Optional ON/OFF heat element switch

4" [102 MM] depth ADA-compliant

Dual protection heater by Thermostat & Thermal Cutoff

4" [102 MM] depth Behind mirror hand dryer

Fireproof key plastic parts & stainless steel cover

Convenient plug in feature Optional hardwire installation

Description:

Reference	HDR99SC/HDR99BK/HDR99WH
Finish	Matt Stainless Steel
	Black
	White
Warranty	2 Year
Activation	Automatic Sensor

Electrical Specification:

Voltage	220/240V
Frequency	50/60Hz
Motor Type	Brush Motor
RPM of Motor	22,000 RPM
Power Output	1800W
Motor Power	550W
Air Temperature	40°C
Amps	7.8A
Sensor	5 – 15cm
Drying Time	8 – 10 Seconds
Airspeed	100m/s
Airflow	140M^3/H
Filter	Included Inside
Noise Level	74dB at 1 Meter

Safety Aspects:

IP Rating	IP23
Electronic Isolation	Class 1
Approval	CE Standard
Time Protection	60 Seconds
Heating Temperature	< 105°
Motor Temperature	< 50°
Air Temperature	45°

Dimensions:

Width	29mm
Depth	184mm
Height	320mm
Weight	4.6KG

295MM [11-39/64"]   184MM [7-1/4"]   320MM [12-19/32"]
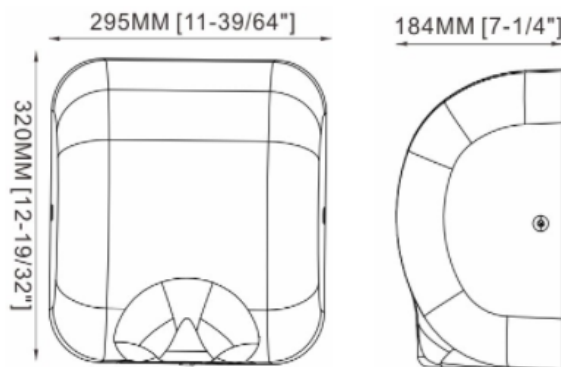

Automatic hands ON/OFF by infrared sensor	22,000RPM Brush motor 8 - 10 Seconds drying time
Optional HEPA & coarse particulate filter at air inlet	Forced Hold-On 60 seconds auto shut-off
Optional Speed & sound control	Externally visible service blue LED guides hands to air flow
Easy maintenance Easy wall surface mounted Anti-theft lockable	Metal Cover right grounding [earthing]
Optional ON/OFF heat element switch	Silentblock in the base to cushion
Dual protection heater by Thermostat & Thermal Cutoff	Optional intelligent heater off if ambient temperature is
Fireproof key plastic parts & stainless steel cover	Convenient plug in feature Optional hardwire installation

Sunbeam Hand Dryer Range Specification Sheet

Sunbeam 1650W High Powered Blade Hand Dryer
Satin Chrome

Description:

Reference	HDR-BLADE
Finish	Matt Stainless Steel
Warranty	2 Year
Activation	Automatic Sensor

Electrical Specification:

Voltage	220/240V
Frequency	50/60Hz
Motor Type	Brush Motor
RPM of Motor	30,000 RPM
Power Output	1650W
Motor Power	1250W
Air Temperature	40°C
Amps	7A
Drying Time	7 – 9 Seconds
Airspeed	150m/s
Airflow	120M^3/H
Filter	HEPA & Coarse Particle Filter
Noise Level	70dB at 1 Meter
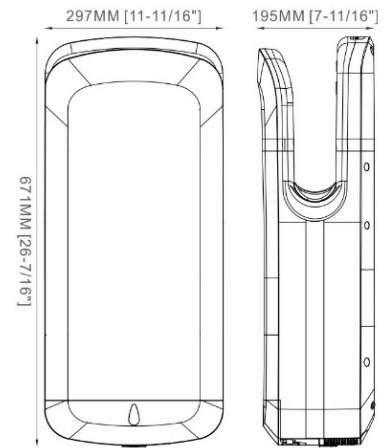

Safety Aspects:

IP Rating	IP23
Electric Isolation	Class II
Approval	CE Standard
Time Protection	60 Seconds
Heating Temperature	< 105°
Motor Temperature	< 48°
Air Temperature	40°

Dimensions:

Width	297mm
Depth	195mm
Height	671mm
Weight	8.8KG

297MM [11-11/16"] 195MM [7-11/16"]

671MM [26-7/16"]
